## WEBINAR

To view the archived webinar, [click here](#)

### Prospering Through Tough Times: Using Data to Make Smarter Loss Prevention Decisions

Research has proven that shrink increases in a bad economy. This webinar will give you ammunition and strategies for preserving your LP investments even as pressure mounts to cut operating costs. Guest speakers will offer perspectives of major retailers and industry experts, including objective statistical data.

#### Presenters

*Ernie Deyle, Vice President, SD - Retail Consulting*

*Professor Joshua Bamfield, Director, Centre for Retail Research*

*Paul Cataldo, Vice President Global Marketing, Checkpoint Systems*

#### Sponsored by

Your Shrink Management Partner

## WHITE PAPER

### Big Y Foods Rolling Out "Sweethearting" Detection Technology Chain-wide. StopLift

Checkout Vision Systems is being rolled out to the entire Big Y supermarket chain to catch this growing source of employee retail theft. To read this entire white paper, [click here](#).
